Package Description:

The department requests the transfer of the Department of Information Services (DIS) Policy Reg Division, DIS Rate Reduction and the Department of Personnel Surcharge Increase funds from the Revolving Fund, program 145, to all other DSHS programs. Currently, funds are appropriated within the revolving fund and should be spread to each of the programs within the department where the expenditure/savings will occur.

The department requests the transfer of the Office of Deaf and Hard of Hearing (ODHH) to the Division of Vocational Rehabilitation (DVR). Both ODHH and DVR are a part of the Health and Rehabilitation Services Administration (HRSA). Currently, the ODHH is appropriated within the Division of Developmental Disabilities (DDD). DDD was recently consolidated with the Long-term Care Administration leaving ODHH within HRSA. Moving the ODHH authority to DVR will align the funding with the administrative components. This transfer includes 2.0 FTEs and funds that are appropriated by the Legislature.
